I love sweet potato... all the taste but with such a low amount of calories (not that this has ever stopped me before from inhaling high calorie foods :)) and of course... the versatility of this vegetable!

Which is why this is the 2nd time we feature sweet potato in our top 5's... you can see the previous top 5 [here](#).

TOP 5 SWEET POTATO RECIPES (FROM BLOGGERS)

Elien & Robbe of **Een Bord Vol** impress us with not one, but two gorgeous sweet potato recipe ideas! The first is to make **sweet potato crisps** while the other is for **Healthy sweet potato brownies!**

Geertrui of **Truitjeroermeniet** creates an **oven-baked sweet potato with quinoa**

While Tine of **Tine at Home** makes something different but healthy with **Sweet Potato Pizza topped** with beetroot, goats cheese & rocket!

and finally, Sarah of **South & Pepper** showcases an **Autumn inspired stuffed sweet potato**.
